

# EMPOWERING BUSINESS THROUGH ENTERPRISE SOLUTIONS

Dear Customer,

We wish to thank you for reposing your faith in our capability. We are happy to be associated with your esteemed organization and look forward to building a long term relationship with you.

As you are aware, GST is to be implemented with effect from July 1, 2017 ('appointed date'), which will eventually replace most of the prevailing indirect taxes like Service Tax, VAT/CST, etc. All our existing contracts / agreements / orders / proposals which may have a mention of Service Tax, VAT/ CST, etc. will get replaced with GST and will be charged to you in all our future invoices.

GST will be levied based on the destination principle according to the services provided. It is expected that Central Goods and Services Tax (CGST) and State Goods and Services Tax (SGST) will be charged on intra-state supplies, whereas Integrated Goods and Services Tax (IGST) will be charged on inter-state supplies.

For any advance received by us before the appointed date and invoice raised after the appointed date, GST would be applicable on all such invoices and additional tax would be collected from you against the same.

We will be happy to help you to evaluate any further needs and offer you the services that will help you achieve your new goals.
