

Godrej Infotech Limited is proud to have won the contract for the implementation of ERP in Confederation of Indian Industry.

Confederation of Indian Industry (CII) is a non-government, not-for-profit, industry led and industry managed organisation, playing a proactive role in India's development process. Founded over 114 years ago, it is India's premier business association, with a direct membership of over 7800 organisations from the private as well as public sectors, including SME's and MNC's, and an indirect membership of over 90,000 companies from around 385 national and regional sectoral associations.

Godrej Infotech Limited (GITL) has proudly won the contract to provide Microsoft Dynamics (AXAPTA) to CII. They work to create and sustain an environment conducive to the growth of industry in India, partnering industry and government alike through advisory and consultative processes.
