AN ERP IMPLEMENTATION COMPLETED
'AHEAD OF TIME'

WALK THE EXTRA MILE

KENYA'S LEADING MANUFACTURER AND EXPORTER OF FAST MOVING CONSUMER GOODS

The client is a pioneer of hair care products distributed across the African Continent. This subsidiary of a global consumer products organization, it is focused on creating high quality innovative products in the areas of home and personal care. The organization has a portfolio of big brands in the beauty business including hair care products, cosmetics, soaps, hand sanitizers, perfumes, fairness creams and household insecticides.

Dear Team,

A Hearty Congratulations to all the team for their relentless efforts in the past few months, and completing the project ahead of time!!!

Would not have been possible without the effort and willingness of each of you.

This marks the dawn of a new era for us in building a data driven organisation, which I believe is the only way to fuel our growth ambitions. Effective utilisation of the info generated from such systems will help us with the agility that is required by a start-up.

Thank you once again.
