

## ENGAGEMENT CASE STUDY

Saudi Arabia's Leading  
Cable Manufacturing  
Organization Implements  
SharePoint Online Intranet

### CUSTOMER BACKGROUND

The Customer is headquartered in the industrial city of Bahra, and has become one of the leading companies operating in the Kingdom of Saudi Arabia. It has rapidly built a fine reputation for manufacturing high-quality wiring and cabling products.

### THE BUSINESS CASE

The Customer's requirement was for an Intranet Portal Solution to consolidate channels for staff and provide a central information repository for people working from several locations. Additionally, they needed a tool that would promote the idea of sharing and collaboration between teams based in different locations.

### BUSINESS SOLUTION

Godrej Infotech has considerable expertise in delivering complete enterprise solutions using Microsoft Technologies. Equipped with our wide range of technical skills & networking development environment knowledge, we approached to solve the client's problem by developing a Document Management Solution with the following features:

- Department wise workflows
- Delegation
- Assigned concepts
- Latest news & events
