Ensuring Employability, Shared Value and Allied Projects

STRATEGIC CSR FOCUS AREAS

By prioritizing our focus on digital skilling, leading to make the underprivileged students employable for the current IT Market:

- » Training & Skilling – to equip underprivileged youth with skills to be successful in 21st century opportunities, resulting in creation of Employment
- » Trainings Covered: Robotics & Automation, Digital Marketing & Data Analytics

With the advent and emergence of new technologies in the space of Digital Upskilling and focus on future edge technologies, Godrej Infotech Ltd intends on covering trainings on SFDC (Salesforce) & RPA (Robotic Process Automation) for Engineering Graduates.

ROBOTICS & AUTOMATION

Training Topic	Location	Coverage (No. of students)
Robotics & Automation	Pan India	35

DATA ANALYTICS

Training Topic	Location	Coverage (No. of students)
Data Analytics	Pan India	156

Inauguration of 100-hour training program on Data Analytics.

Felicitation of students who leveraged trainings sponsored by GITL & Centum Learning

DIGITAL MARKETING

Training Topic	Location	Coverage (No. of students)
Digital Marketing	Lucknow & Indore	100

Our focus for Digital Marketing was on Tier II students who could leverage this training to create a larger scope of employment at smaller towns and cities

THANK YOU
